

What We Do

Custom designs, builds,
and installs for all of
your scenic needs!

Service Guide.

A band of heavy-hitting outlaws and misfits somehow found each other in the same place and time. Not quite by chance or accident but by way of time machine, all syncing up for one collective purpose—

—to form the greatest scenic and fabrication shop the world has ever seen.

For 2023

Bringing to Life Your “What if?”

Looking for that custom touch to your interactive exhibit, trade show booth, or corporate event? We're a design and fabrication studio ready to meet all your scenic needs!

C. Scenic is here to create the hypothetical, bringing to life all the “What if’s” and “Could we’s...” We say YES! Yes, you CAN have all of those wild ideas that existed only in your imagination.
